

## **ATHLETIC BOOSTER MEETING**

The Athletic Booster Club at OLA functions as a support group for the various athletic teams. Over the years, it has provided countless items that coaches have requested. These are usually the type of things that are not essential, but improve the quality of the athletic program. These are items that are outside the realm of the school budget.

Various fund raisers have been used through the last several years. All have been successful, and the club is in sound financial shape.

It is time for new leadership in the Athletic Booster Club. The current regime has been in charge for about ten years and their children are now, or soon will be, graduated from OLA. We must have a new group of parents to take over. Membership is open to all interested parents.

We will have an informational/organizational meeting on Sunday, January 14<sup>th</sup> at 6:00 PM in the Commons to elect new leadership and plan activities. Current officers will help with the transition through the end of the year.

We look forward to seeing many new, interested parents at this meeting. Please call if you have any questions.
